

CINCINNATI COMMERCIAL CONTRACTING

RETAIL PROJECTS

DETAILS MAKE THE DIFFERENCE

"After purchasing a building for our business we selected CCC to remodel the 1980s structure. They worked closely with us in assessing our needs and designing the remodel work needed. All the work was completed on time, with great attention to detail, and always to our full satisfaction. In fact, CCC followed up with us long after the work was completed to be sure the remodeled facilities and new steel roof exceeded our expectations. I would highly recommend CCC for any and all commercial building projects."

— Steven L. Neal, President, AIM Inc.

CREATING CONSUMER DRIVEN ENVIRONMENTS FOR RETAILERS

You want a space where design and building elements work together to create an exciting shopping environment for your customers. You need a store that can handle high customer traffic season after season. Cincinnati Commercial Contracting designs and builds high performance stores for busy retail businesses.

Maybe you may want to design and build a store that reflects your vision and esthetic, or perhaps your store must meet specific brand standards for design and layout. The CCC team understands what you need because we have been building retail and customer driven businesses for over 40 years. That's experience you can count on.

CINCINNATI COMMERCIAL CONTRACTING RETAIL PROJECTS

BUILDING YOUR BRAND, CREATING EXCITING CUSTOMER EXPERIENCES

Whether you're building from the ground up, remodeling one location or rebranding multiple sites, make sure you're hiring the best retail construction contractor in the business. CCC stands at the ready to ensure your projects success.

To build a successful retail business, your store needs to support your brand. That includes design, layout, materials selected and craftsmanship. You can count on superior workmanship, quality materials and CCC's commitment to excellence regardless of job size, type or location. You will receive over 40 years of experience. You can trust us to respect your vision, budget and project timeline.

Creating an inviting environment is just the beginning of building a successful retail store. Making sure that it works for you and your customers is key.

CCC's 3D BIM Modeling lets you see your store before construction begins. You can make revisions without costly construction changes or delays.

CCC wants to be your partner for building today and the future. That's why so many clients return to CCC for all of their commercial construction needs.
